

Mount Calvary Preschool News

Outside time.

We try to get outside everyday so snow pants, hats, mittens, coats, and boots are a must. Children still go outside if they are missing items, they just can't play in the snow and may be cold. If the temp. or wind chill is below 15 we do not go outside in Preschool.

Please remember if Greenville Public is closed then there is no Preschool. The best way to know this is to sign up for Remind. Text @mccpc908 to the number 81010.

A Look at our Week Ahead

In school fieldtrip this week, Monday the 8th. The planetarium is coming to visit us. 3's and 5's will join us at 10:30 am. No afternoon class. All Preschool only children will go home at 12:00 pm. It was so great to be back in class and see all of the children this week.

Our investigation for the month of January will be Winter. Why we have it, do all places have it, how do animals survive the winter, why does it snow? These are some of the questions that we will be answering. Hopefully we will have snow to go along with our investigation.

We made our Housekeeping area an ice skating rink. You will have to ask your child how that is.

We will start back up with our rhyming and beginning sounds for literacy.

In math we will be working on counting objects and number recognition to 10 in the 3's and to 20 in the 4's and 5's.

Up Coming Events

1-8-18: Planetarium Visits us. 5's and 3's join us at 10:30 am. No Young 5's class in the afternoon.

1-26: Sledding Party (as long as we have snow) No class today. All Preschool only kids meet us at Blackfield (across from the Flat River Library)

Letter of the week

Queenie Q Quail is our letter this week. Big curve plus big curve plus a little line is how we make the capital Q.

Motions to the Letter of the week.

Place your bent index finger on the top of your forehead and say "kw"

Book order forms will go out this week. They will be due on 1-24. You can order online at www.scholastic.com using our class code GYXD8 or by sending the order in to me with a check or money order
