

# Mount Calvary Preschool News

## Outside time.

We try to get outside everyday so snow pants, hats, mittens, coats, and boots are a must. Children still go outside if they are missing items, they just can't play in the snow and may be cold. If the temp. or wind chill is below 15 we do not go outside in Preschool.

Please remember if Greenville Public is closed then there is no Preschool. The best way to know this is to sign up for Remind. Text @mccpc908 to the number 81010.

## A Look at our Week Ahead

Our investigation for the month of January will be Winter. Why we have it, do all places have it, how do animals survive the winter, why does it snow? These are some of the questions that we will be answering. Hopefully we will have snow to go along with our investigation.

We made our Housekeeping area an ice skating rink. You will have to ask your child how that is.

We are playing a lot of games that have us counting, rhyming, listening for beginning sounds, and sound recognition of letters. This is a great way for the kids to learn. Continue to work on counting at home with your child. Counting out loud and counting items.

## Up Coming Events

**1-26: Sledding Party (as long as we have snow) No class today. All Preschool only kids meet us at Blackfield (across from the Flat River Library)**

**2-14: 4's and 5's Valentines Party. 5's class will come in the morning. Parents join us at 10:30 am. No afternoon class.**

**2-15: 3's Valentines party. Parents will join us at 10:30 am.**

## Letter of the week

Gordo G Gorilla is the letter this week. Curve around, little line up, and cross is how we make the letter G.

5's sight word is "the" for the next 2 weeks.

## Motions to the Letter of the week.

Pretend that you are peeling a banana, and say the sound of the letter G

Book order forms are out. They will be due on 1-24. You can order online at [www.scholastic.com](http://www.scholastic.com) using our class code GYXD8 or by sending the order in to me with a check or money order
