Day**

## **Information for You**

We have been having a great summer with your Kiddos. Thank you for letting us have all this great fun with them.

We have 3 weeks left of summer.

Remember school starts for Greenville on August 21 with no school on August 23 or August 30.

Please remember if you are coming in the Fall for Childcare to turn in all your paperwork.

We are still enrolling for our Preschool Program so if you know of anyone that needs preschool please let them know that we still have spots open.
