

Mount Calvary Preschool News

OUTSIDE TIME

We go outside everyday in the morning and twice in the afternoon. Now that it is getting colder children need to come with a coat, hat, mittens. When it snows they will need boots and snowpants too. Please have a bag (backpack or blue Meijer bag work great) for your child to keep all their things in. They carry them out to the classroom to get dressed and it makes it easier if everything is contained. They will be getting themselves dressed. Please remember that sometimes items do get lost and it is easier to find them if your child's name is on their coats, hats, mittens, boots and snow pants. Waterproof gloves are a must. Children love to play in the snow and the knit gloves get wet and cold within minutes of playing in the snow. We play outside for 30 mins.

A Look at our Month

For the month of November we will be studying the why of Thanksgiving, what it means to us, how it was at the first Thanksgiving.

In Math we will continue to working on counting (to 25 in the 4's and 5's class. We will work on count to 10 in the 3's class), counting objects, identifying numbers to 10, sorting, and patterning.

In our 4's class we will continue to work on rhyming and breaking apart syllables. In our 3's class will continue to work on singing our rhyming songs.

Our Thanksgiving Feast is this month. This is where all of our Preschool families get together to have Thanksgiving dinner together during class time. We ask that all families sign up to bring something to our feast. We need 5 people to cook turkeys which we will provide for you. We need all food to come to the center cooked, cut up and ready to eat. There will be no class that day. Everyone will meet at 10:30 am to have the feast.

We will be working on writing the letters U,C,O,and Q this month. We will continue to work on all the letter sounds. We will be working on self help items this month. 4's and 5's learning to zip their coats and 3's putting on their coats by themselves. Please practice this at home too.

Book Orders. Due 11-15
We order our books through www.scholastic.com/bookclubs
You can order online using our class code GYXD8. You can pay by credit card.
If you order via the flyers please send in check or money order. Books come right to the classroom.
