Valentines Day.  
4's and 5's- 40  
children  
3's – 25 children

4's and 5's will have  
their party together.

For the valentines we  
only write your child's  
name on it. It is too  
hard for them to match  
up names. It is great  
practice for your child.  
Have them do 5 a day  
and it wont seem so  
overwhelming for  
them.

You and your child will  
need to make a  
Valentine's box for  
your child's cards.  
Childcare kids will  
need to have cards  
and boxes for both  
days.
