A Look at our Week Ahead

Our study this next month is Ocean. We are learning all about the life in the sea. If you have any pictures or items from the ocean please feel free to send them in with your child.

4's and 5's are really working naming the letters as well as saying their sounds, counting items up to 20.

3's are working on letter sounds and counting items to 10.

We are still working on rhyming, beginning and ending sounds, and now the middle sounds.

5's sight word is IT.

Motions to the Letter of the week

Reach your hand above your head to an imaginary honey hive. Bring the honey to your mouth in a fist as a bear might do, but don't touch your mouth and say the sound of the letter b.
