

Mount Calvary Preschool News

Snack Time

Your child will need a snack for each class that they attend. If your child is in childcare they will need a snack for every day that they are here during preschool hours. If your child is in morning class and afternoon class they will need a snack for both classes. You can bring in snack daily or you can put a bunch in a ziplock baggie and bring this in. Please label all their snack with their name.

If you would like to bring in a birthday treat for your child's birthday that would be ok. If your child's birthday falls on a day they are not in school you are welcome to bring it in on the day before or after their birthday. They can bring in anything they want for their birthday.

A Look at our Month

For the Month of October we will be studying the unit of Fall. We will be taking a look at what happens in the fall, apples, and Halloween.

In Math we will start working on number recognition 1-10, counting to 20, Patterning and sorting.

In Literacy we will be starting our Heggerty phonics program. This program works on rhyming, Fluency, Blending, Identifying beginning and ending sounds, Segmenting, and Adding and Deleting Phonemes. We will also work on our Nursery Rhymes with this program. We do this program every day in our 4/5's class. In our 3's class we will just be working on our rhyming and Nursery rhymes.

We will practice writing our name every day and we will be working how to spell our names also.

As Halloween gets closer I will send an email out explaining our parties.

Handwriting without Tears

This is the writing program that we use for helping your child learn the proper formation of letters. We will be working on writing in Upper case in morning class and lower case in afternoon class. Our letters this month are L, F, E, and H for am class and c, o, s, and v for pm class.

Zoophonics

This is the program that we use for letter sounds and letter recognition. For the first half of the year we will be working on letter sounds. We will work on letter names after January.
