Valentines Day.  
4's and 5's- 40  
children  
3's – 25 children

4's and 5's will have  
their party together.

For the valentines we  
only write your child's  
name on it. It is hard  
for them to match up  
names. It is great  
practice for your child.  
Have them do 5 a day  
and it won't seem so  
overwhelming for  
them.

You and your child will  
need to make a  
Valentine's box for  
your child's cards.  
Childcare kids will  
need to have cards  
and boxes for both  
days.

## A Look at our Week Ahead

For the month of February we will be  
investigating Valentine's day and Family. We will  
be focusing on our families, why we celebrate  
Valentine's day, and how we are a school family.

We are doing lots of writing in our 4's and 5's  
classes. 3's are doing lots of name writing and  
drawing to help out with strengthening our fine  
motor muscles. We are still counting out loud as  
well as counting objects. 4's and 5's are really  
working on letter names as well as the sound  
they make when we read them. 3's are working  
on letter ds first.

We have started brushing our teeth after snack to  
help promote good oral hygiene. The children all  
have their own toothbrush and they are sanitized  
after every use. If you have any questions please  
let us know.

## Letter of the week

Sammy S Snake is our  
letter for the week.  
Curve around, stop,  
curve backwards is how  
we make S.

5's sight word is 'you' for  
the next 2 weeks.

## Motions to the Letter of the week.

Move your hand in the  
serpentine manner of the  
snake away from your chest  
and say the sound of the  
letter S.

The book order has been put in  
and should arrive at our school  
in a couple of weeks.
