Information for You

Welcome to our summer program. We keep very busy during this time. I will send out weekly news to help keep you up to date with what is going on.

All children will need a lunch each day. We can have peanut butter this year. It can be cold or warmed up in the microwave. Please make sure your child's name is on their lunch box. Children may bring in electronics and home toys during the summer. Please keep in mind that we do our best to keep track of things but sometimes items get lost. Labeling your child's items will help with this. If it gets lost we will do our best to find it but sometimes items are not found.

Children need to have tennis shoes or closed toe shoes everyday. If their toes are exposed then they will be unable to play on our playground or swings. You can bring in tennis shoes for your child to leave in their cubbies.

With the beginning of summer we are all learning our boundaries within the classroom. If your child has an issue please bring it to our attention. We do not catch everything going on even though we try our best. We view ourselves as being in a partnership with you and want the best for all of our children. Water bottles that can be taken home each day would be great especially with our outside time. We try each day to spend as much as possible outside each day.

Sunscreen and bug spray are needed as donations. A pack of copy paper would be great too as they love to draw.
