Mount Calvary Preschool News

Please remember as the weather gets warmer(hopefully) that your child will need to have closed toe shoes for recess time. You are more than welcome to bring in a pair of tennis shoes to leave in their cubbies for them to change into when we go outside.

A Look at our Week Ahead

Our next study will be insects for the month of April. We will be studying all about the creep crawlies of the world.

Thank you to all the parents that made it to our Parent/Teacher conferences. It was great getting to let you know how much I have seen your child grow and learn this year.

Preschool is fast coming to an end. Only 5 weeks left. We will still be learning every day but as it gets warmer we will be taking our learning outside. Our learning centers will look different than what the kids are use to, but I am hoping that they will have fun while practicing everything that we have learned this year.

Preschool Graduation is for children who are going to Preschool in the fall. Children will have a small ceremony and receive their Preschool Diplomas. Families are invited to attend this special event.
